Record US Diesel Prices Squeeze Farmers; Food Prices May Rise

Diesel costs for US farmers are double last year's level, pressuring food transport and retail.

In northeast Missouri, Addie Yoder, a corn, soybean and cattle farmer, runs two combines, three semi-trucks and several tractors from mid-September to late October to harvest and transport her crops. With diesel prices at record highs and just one combine requiring 300 gallons of the fuel, the best she can do is try to curb other expenses, she said.

In southeast South Dakota, Drew Peterson, a soybean, corn and cattle farmer, expects to spend as much as \$1,500 per day to fuel just one of his combines this season, double last year's costs, among the many machines he must use to bring in his crop.
