California Walnuts Launches Campaign to Drive Holiday Sales

The seasonal 'Be Merry. Feel Good.' initiative aims to keep walnuts top of mind at retail.

California Walnuts' "Be Merry. Feel Good." holiday campaign in the U.S. market is targeting shoppers during the year's peak walnut purchasing period and creating new opportunities for retailers to capture incremental sales as consumers seek ingredients for seasonal recipes and entertaining. The campaign builds on the industry's "California Walnuts. Feel Good." consumer initiative, which aims to modernize the image of California walnuts and reposition them as a must-have ingredient, according to a news release. Complete with a fresh, energetic visual identity, the industrywide effort is expanding the target audience to include millennial and Gen Z shoppers while enhancing engagement with those who already know and love California walnuts.

"The holidays are a critical time for the nut category, and this campaign helps ensure walnuts remain highly visible and top of mind as shoppers make purchase decisions," says Christine Lott, director of integrated communications for the California Walnut Board and Commission.
